Devices: Skills include rich understanding, schema markup, and Conversational Keywords — structuring FAQ pages and optimizing for "near me" voice queries.

Smokey's Tip:

These roles are all about **content acquisition**, **audience growth**, and **retention through storytelling**. Whether you're drawn to writing, strategy, or technical SEO, there's a content role that fits your strengths!

Would you like help with your **resume**, a **portfolio project**, or explore jobs in another domain?
